

What Do You See? Conversation Prompts

Look at the picture together. Ask a few questions, wait, and expand what your child says.

● Name It

- What do you see first?
- Can you name three things in the picture?
- Point to something you know.

● Describe It

- What color do you see?
- Pick one thing and describe it.
- What is big? What is small?

● What's Happening?

- What is someone doing?
- Who is playing?
- What action word can you use?

● Feelings

- How does someone feel?
- Who looks excited?
- How can you tell?

● What Next?

- What might happen next?
- What would you do in this picture?
- How could the story end?

Grown-up tip

If your child gives one word, gently add one or two more words.

Example: Child says "dog." You say, "Yes, a happy dog is running."
